How long since Alpha Security has been to see you?

If it's been over a year for commercial properties or over 5 years for residential - your battery might need replacing. Don't leave your safety to chance, contact us TODAY!

Security Tips

- ✓ Always lock your doors & windows.
- ✓ Always put away gardening equipment & tools - anything that could be used to open windows/doors. Don't help burglars help themselves!
- ✓ Don't advertise your holiday plans on social media.
- ✓ Leave a light on inside & outside, a timer works best.
- ✓ Don't hide your spare keys in obvious places - burglars are smart!
